FOR IMMEDIATE RELEASE

**Panhandle Groundwater District Scholarship Recipients**

WHITE DEER, TX. (May 14, 2024) – Since 2002, Panhandle Groundwater Conservation District (PGCD) has provided scholarship funds to 63 deserving high school seniors in our District. The scholarship is based on grades, extracurricular activity involvement, financial need, and an essay with the topic provided by the District.

**Panhandle Groundwater Conservation District proudly presents the  
2024 Scholarship Recipients.**

**First Place – Ja’Zhana Henderson** of Palo Duro High School in Amarillo, TX, will be receiving a \$2,000 scholarship per year for 4 years (\$8,000 total - \$1,000/semester).

**Second Place – Whitney Kennedy** of Panhandle High School in Panhandle, TX will be receiving a \$1,500 scholarship per year for 4 years (\$6,000 total – \$750/semester).

**Third Place – Gage Whatley** of Groom High School in Groom, TX will be receiving a \$1,000 scholarship per year for 4 years (\$4000 total - \$500/semester).

For more information about the Panhandle Groundwater Conservation District Scholarship Program please visit the District’s website at [www.pgcd.us](http://www.pgcd.us) or by calling the District Office and speaking with Payton Holtkamp at 806-883-2501.
